Departmental Reports for the year 2018

Name of Department: Finance

What we did last year:

We are happy to report that despite the continued harsh economic environment and the Brexit fears God has been faithful to provide for our needs. We watch as members and worshippers faithfully bring their tithes, offerings and thanksgiving back into God's house in obedience to His Word. The total income actually received by the church exceeded budget which is good and similarly our expenses variance were favourable which means we spend less than we budgeted. This budget will be reviewed in 3 months. Your generous donations have made the work of God possible. I pray that the God will continue to bless you all.

Looking to the Future:

We forecast a slight higher income for the year 2019/20. It is only God who knows what is going to happen in future and to Him we surrender the church finances. Please continue to use the envelope system and if you pay tax regularly please come and sign a Gift Aid form with me so that the church can get an extra 25p in every £1 that you give (courtesy of Her Majesty's Government)

Prayer Points:

- Pray that God will continue to give the Leadership wisdom in the way the funds are used for His work and to His glory;
