Departmental Reports for the year 2015

Name of Department: Gateway Initiative

What we did last year:

Gateway Initiative is an umbrella for fundraising for activities for young people and vulnerable adults in our communities.

It includes the Youth club: will let Eyasu give an update about that.

We also have Tea for the Elderly: Maureen will give you an update about that.

As part of our fundraising we had two Jumble sales one on the 21st February and another one on the 5th December and we raised in total £231.

We would like to thank everyone who supported these activities and made it possible for them to happen.

Looking to the Future:

We would like more innovative ideas for future events of how we can fundraise this project.

Prayer Points:

Pray that we retain the people who we have supporting this project and wisdom for more creative ideas.
