Departmental Reports

**What we did last year:**

Throughout the past year, the music team continued to devote their time to leading the church into God's present through praise and worship.

We introduced fewer songs to our portfolio than in the previous year, but this did not in any way affect the church's worship.

The music team was part of the Carols event at Sainsbury's and it was a tuned event that glorified the Lord. We would like to thank everyone that took part for their presence, support and enthusiasm.

**Looking to the Future:**

Looking to the future, we will focus on our continued service to the Lord and we will be discussing ways to improve and develop our skills and contribution to the church vision.

New songs will be considered and added to the portfolio.

We failed to achieve one of the aims from last year, which was to have regular practice sessions.

This was noticeable in some Sundays and we will need to address this in the near future.

**Prayer Points:**

Pray that all present members of the music team will continue to be available to contribute actively to the team.

Pray that the resources we need to be able to improve will be in place and suitable for our aims.

Pray that the team will be available to commit further time to have regular practice sessions.

Pray that our worship will always please the Lord and enable us to bring His people into His presence.
