

**HARRINGAY UNITED CHURCH-BAPTIST**  
**Annual General Meeting**  
**January 24, 2016.**

**Departmental Reports for the year 2015**

**Name of Department:** Music Group

**What we did last year:**

Throughout the past year, the music team continued to devote their time to leading the church in songs as part of the worship service to God.

We have managed to meet regularly for the most part of the year for practice sessions and this dedication has been noticed in the improvement of the music group as a whole. The dedication of all members to attend practices has been outstanding in the past year.

We introduced a range of songs to our portfolio that cover a variety of genres and seem to have been received approvingly by the church members.

Throughout the second half of the year, the music group has been blessed with the birth of several babies. Although this has impacted somewhat in the availability of the parents to the service in the group, it also gave the opportunity for other members to step up and show their commitment, devotion and capability to ensure the music group continued to perform to the best of its ability, which they have done in a superb way. I, as one of the new parents, would like to thank the whole team for their excellent work at this time and also throughout the year.

Something also worth mentioning is the work that Bisi and Kirsten are doing with the young ones. I would like to thank them both for their perseverance and dedication to this work. They have taken upon themselves to prepare the future worshippers in the church and they do it gladly.

**Looking to the Future:**

Looking to the future, we will focus on our continued service to the Lord and we will be discussing ways to improve and develop our skills and contribution to the church vision.

New songs will be considered and added to the portfolio.

We will continue with the practice sessions so that we can improve further.

We hope that the work with the young ones will continue and improve for the glory of God.

As always, we welcome feedback and recommendations from all church members.

**Prayer Points:**

Pray that all present members of the music team will continue to be available to contribute actively to the team.

Pray that God will prepare our way every Sunday, so that we arrive in plenty of time to set up, practice and be ready before the start of the service.

Pray that the resources we need to be able to improve will be in place and suitable for our aims.

Pray that the team will be available to commit further time to have regular practice sessions.

Pray that our worship will always please the Lord and enable us to bring His people into His presence.
