

HARRINGAY UNITED CHURCH-BAPTIST
Annual General Meeting
January 20, 2014

Finance Departmental Reports

What we did last year:

To God be the glory for the financial year 2012/13. Despite the severe economic environment we all faced you have been faithful in giving to the work of God – our income exceeded budget which is good and similarly our expenses exceeded budget which means we spent more than we budgeted. This is because of some unforeseen expenses in the Fabric funds during the year. You have made the work of God possible by your generous giving. I pray that the God who you have honoured will honour you and bless you that your buckets will be full and overflowing.

Looking to the Future:

Let me encourage you that you continue to obey God's word. Teach it to your children's children. Please continue to use the envelope system and if you pay tax regularly please come and sign a Gift Aid form with me so that the church can get an extra 20p in every £1 that you give (courtesy of Her Majesty's Government);

The budget for 2014/15 is presented as a balanced budget so that the Revenue and Expenditure estimated are the same. We do have possible capital expenditure of the new central heating boilers and the conversion of 115 Allison Road into 2 self-contained flats.

Prayer Points:

- Pray that the Leadership will continue to use God's wisdom in the way to spend the funds for His glory;
- Pray for the 115 Allison Road conversion project

Signed
Segun Obidipe
Church Treasurer
