Departmental Report for the Year 2019

Name of Department: Gateway Youth Club by Eyasu Seare

What We Did In 2019:

It has been a great year for the youth club in 2019, good attendance every week, a number of youth from our church, from Senior Impact, Junior Impact, and Mini Warriors (YC is for 10 to 16 year olds). This gave me good opportunity to get to know them better, and provide as much pastoral care as possible.

We also thank God for Dedicated Volunteers, Joseph and Philip, coming week after week, helping me looking after the young people, setting up the place and tidying up afterwards.

The trips, outing and dinner party mentioned on Impact Youth report as "Boys to Men" (B2M), include the other youth in the club, who do not come to church. It is mostly funded by Jack Petchey, we are grateful to their support, may God bless.

Plans to go to the primary school and football, did not materialise, partly because of my family situation and the part time nature of my work.

What We Intend To Do In 2020:

Now that God has blessed us with committed volunteers, I feel more encouraged to go into the schools and give out leaflets, hopefully recruit more young people to enjoy our facilities.

Our planned sleepover for the 14th of February will include Gateway youth as well, who happen to be from Christian families too. We will also have, exclusive Gateway & B2M, Movie Night or Dinner get together party. (To be discussed)

We'll have three more JP Awards, again they get to decide how we spend it and where we go with it.

Prayer Points:

1. Thanksgiving for the progress and increase we saw in 2019,
2. Please continue to pray for God's favour as I/ we approach the schools and other avenues to reach out.
3. God's continual wisdom and guidance in every aspect of the work, especially to make the most of teachable moments during youth club sessions.
