

HARRINGAY UNITED CHURCH-BAPTIST
Annual General Meeting
January 26, 2014.

Departmental Reports – Junior Church

What we did last year:

2013 was interesting and challenging with lots of activities, which the Lord enabled us to successfully undertake, including:

- Mothers' and fathers' day celebration activities in March and June
- IOW youth camp in Aug 2013, where the young ones were richly blessed, in addition to taking part in lots of fun activities.
- 10th anniversary celebration of pastor at HUC, with the children being heavily involved.
- Taking part in a joint production of the Christmas story "Christmas with the Stars" with other churches in Haringey, which 'premiered' at the Vue in Wood Green on 7th December 2013.
- Prayers on 1st Saturday of the month by the teachers for issues affecting the young ones.
- Quarterly teachers' meeting.
- Continued to use 'Go Teach' material as a resource.
- The annual Halleluia night celebration, with the theme being God's creations.
- Producing the Christmas play "The King's Birthday" involving both the Impact, Mini-warriors, Shining stars and Little Angels groups.

Looking to the Future:

- Will continue to teach the children about Lord and Saviour and seek to lead them into a relationship with Him.
- Hoping to make the annual trip to IOW in August 2014.
- Planning to celebrate the first Children's day this May
- Seeking to continue to engage the children in drama and plays as developmental tools.
- Attend a teachers' conference or training.
- Hope to continue to engage with other churches and undertake further joint ventures through the Haringey Children Network/Ministry.
- Outing for all the groups this year

Prayer Points:

- For Wisdom and sustenance for the teachers
- That the young ones will, at the right time, make a commitment to the Lord
- For the Lord to bring in more younger ones – 3-4 year olds
- For safety and God's anointing and blessing at the IOW youth camp
- For continued co-operation/unity and closer working relationships with other churches in Haringey.
- For more teachers/helpers
