

AGM DEPARTMENTAL REPORT

NAME OF DEPARTMENT: MEN OF FAVOUR

WHAT WE DID LAST YEAR:

1. Our theme for 2018 was Righteous Living Always. Under this theme, our Bible Study was based on the Prodigal Son, and we also considered the challenges of raising children.
2. After quite a number of years during which we did not have a church outing, the men organised a church outing to Southend on Sea in July. This was a roaring success.
3. As usual we had our two barbecues in June and September. The year ended with the second women and men joint event.

WHAT WE INTEND TO DO THIS YEAR: OUR THEME THIS YEAR IS BEING CATALYSTS FOR CHANGE IN OUR COMMUNITY

1. Our Bible study will be based on the life of St. Paul, and on Peter's meeting with Cornelius.
2. As catalysts for change, we are planning a joint meeting with the brothers from Braemar Avenue Baptist Church. To that end we have already sent out an invitation to the men's co-ordinator in the church.
3. We are planning another joint women / men event, and our usual barbecues, and possibly another church outing - maybe to a theme park this time. Watch this space.

PRAYER REQUESTS:

1. That the men will continue to grow in the Lord.
2. That men will be diligent in praying and seeking the Lord, and we will be diligent in service.
3. Prayer of protection for our homes, our marriages and our children.
