Departmental Report for the Year 2019

Name of Department: Women of Vision (WoV) report - Bisi Ojuri

What We Did In 2019:

In 2019, we challenged ourselves to grow. To overcome any barriers that may be holding us back such as time, money, age and fear. We listened to various podcasts that addressed turning our fear into fuels, understanding that anything is possible.

Few of the women attended women to women conference 2019. We were encouraged to develop our skills and take on new habits to better of way of life and developed our roles. Some of us returned back to our passions and interest, learning new skills such as swimming, reading more, studying etc.

We celebrated with some of the women. Dr. Nneka was appreciated for her contribution in the community by the church, our sister Lulu got married, sister Joyce gave birth to baby boy (Paul). We also had various contributions to support some of our members that lots their love ones and also supported 4 of our young people that went off to universities with some contribution.

We celebrated our 18th anniversary and rounded up the year with a wonderful Christmas thanksgiving party and setting new resolution for 2020.

What We Intend To Do In 2020:

This year will be reading and discussing a book called The Resolution for Women. We are praying and for God to touch our heart and change us and our dreams to be that of Him. At the end of the year we will be having a Resolution celebration and signing the listed Resolutions to be committed to it.

Prayer Points:

That our work and effort to want to change would not be in vain. That the Lord will guide us and grant us a willing heart to change and be obedient to His call for submission.
